

# Initial Build Review Notes

**Creative Director:** Ella Jang

**Designer:** Jennifer Alexander

## Ongoing Work:

- Timeline element has been updated
- Jennifer is continuing to refine and update the origami elements across the site
- Her focus is on enhancing the overall cohesiveness and visual flow of the website design, ensuring that each element aligns with the project's concept and aesthetic direction

## Next Task:

- Create clear descriptions for the *Materials* and *Folding Type* sections
- These descriptions should help users easily understand the purpose and meaning of each section
- The goal is to make the content more educational, while maintaining the artistic tone of the project
